

A CarSharing Transporter for the Görlitz Socioculture

— a community crowdfunding campaign of

Gefördert vom im Rahmen des Bundesprogramms

sowie vom Freistaat Sachsen

Diese Maßnahme wird mitfinanziert durch Steuermittel auf der Grundlage des vom Sächsischen Landtag beschlossenen Haushaltes.

What?

As part of Görlitz's socio-culture, we seek support for our logistical challenges. Our project stands for improved mobility in the realisation of cultural projects such as children's city, ZuVi and our summer cinema. Let's go!

With the kind support of:

A CarSharing Transporter for the Görlitz Socioculture

— a community crowdfunding campaign of

Gefördert vom im Rahmen des Bundesprogramms

sowie vom Freistaat Sachsen

What's for?

We regularly face the following questions when preparing and carrying out holiday and other offers: Which private car is used? How do we finance repairs? What does the insurance look like?

To facilitate the organisation of transports of materials and to make it logistically easier

* The project is funded within the framework of the Partnership for Democracy of the City of Görlitz Federal Ministry of Family Affairs, Senior Citizens, Women and Youth (BMFSFJ) through the Federal Programme "Democracy live!", the State Prevention Council of Saxony and the city of Görlitz. This measure will co-financed with tax funds based on the Member of the Saxon State Parliament decided budgets.

With the kind support of:

Our model

- From the crowdfunding campaign to planning security
- From private vehicle use to official project billing
- From opening up to the population to profitable utilisation

The advantage of our model

- Other clubs are invited to join!
- Profitability replaces the issue of follow-up financing for a new van
- The transporter enables socio-culture and access to social participation
